## Story board for Insurance Simplified application
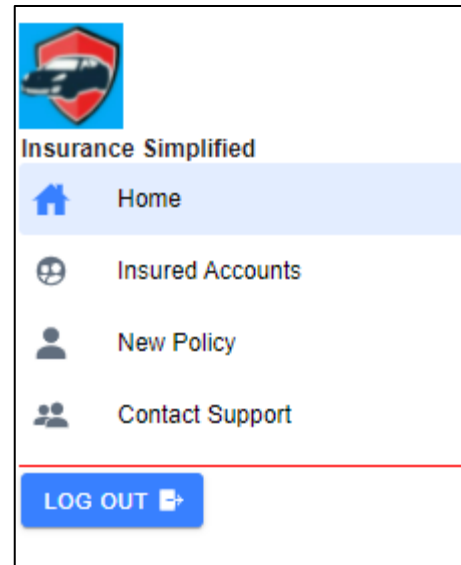

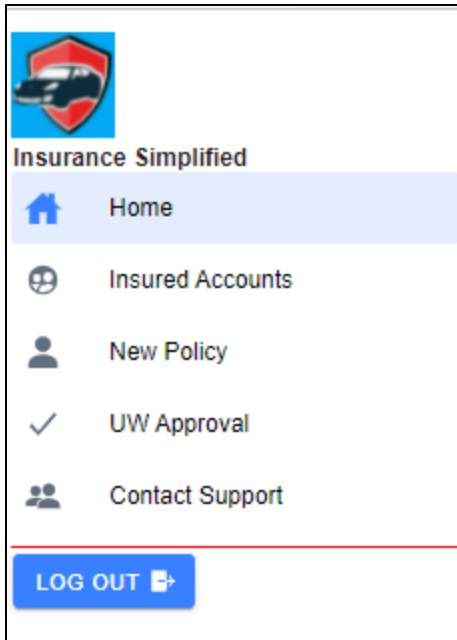

1. Login page

2. **Home page** is the landing page after user login. It shows the policies user has worked on. The layout is same for both Underwriters and Underwriter assistant except that the "UW Approval" link will be visible only for Underwriter role.

   User with "Jsarah" is the Underwriter. User with username "nadam" is the UWAssistant. Please find the below variation in the links.

   Jsarah sees the first screen below. Nadam will see 2nd screen below.

Below is the kind of home page users will see. It contains list of policies created by the user.
